At KCI Konecrane PLC's (KCI) Annual General Meeting the proposed split (4:1) was approved. The scheduled record date is 17 March 2006.

Recalculation of options and forward contracts

EDX London has carried out a recalculation of options and forwards in KCI.

Conditions	4:1
Ex-day	20 March 2006
Adjustment factor	$A = \frac{\text{Number of shares prior to the offer}}{\text{Number of shares after the offer}}$
New exercise and forward price	Old exercise and forward price * 0.25
New number of contracts ¹	Old number of contracts held / 0.25
Date of recalculation	After 19.30 (CET), 17 March 2006
New series available in trading and clearing systems	Before trading commences on 20 March 2006

EDX London's Rules and Regulations for Derivatives	EDX.4.7.20.4.3
--	----------------

¹ The number of shares per contract will not be affected by the recalculation.

Following the adjustment the number of contracts has increased, whereas exercise and forward prices have decreased. New exercise and forward prices have been rounded off to two decimal places and have received an "X" in the series designation. The rounding off of forward prices has been made "trade by trade" and not on the net position. The series has also received new ISIN codes. Please see below for old series and ISIN codes and the corresponding new series and new ISIN codes.
