Please note that the launch of Icelandic derivative contracts is subject to approval by FSA and LCH.Clearnet Ltd and completion of testing by all parties.

Testing of Icelandic Products.

Members will be able to test the new Icelandic products on EDX London's simulation environments from Monday, 19 March. Please liaise with EDX London Member Services in advance in order to ensure these products are accessible to you. EDX London strongly recommends that its members participate in testing whether they use OMX Technology supplied software or software supplied by third-party vendors.
