EDX London IT Notice 010/07 – EDX London launches Icelandic derivatives.

11 May 2007

EDX London launches Icelandic derivatives.

EDX London is pleased to announce the further expansion of its Nordic derivatives offering. In conjunction with its Exchange partners in Scandinavia, EDX London will launch futures contracts based on the OMXI15 index and forward contracts based on the ICECPI index from 14 May 2007. In addition, Cleared Only forwards and options contracts based on the OMXI15 will also be introduced.

Please find below the relevant product codes:

Shortcode	Underlying	Underlying Code	ISIN
OMXI15	OMX ICELAND 15	10100	IS0000004380
ICECPI	ICELAND CPI INDEX	10101	SE0001994518

Due to impending changes to rules and procedures at the Icelandic Central Securities Depository (ISD), futures and options based on individual Icelandic shares will be delayed for the time being. Further notices will be published keeping members apprised of developments in this regard.
