EDX London IT Notice 009/09 – Publication of Technical Specifications for the SOLA platform.

23 June 09

EDX London is pleased to announce the publication of the SOLA Technical Specifications for trading and market data dissemination on EDX.

As outlined at our last Technical User Group held in April, these specifications will be available on the EDX London website - www.edxlondon.com.

From the 23 June 09 the following specifications will be available:

- SAIL Business Design Guide
- SAIL Specifications Guide
- SOLA FIX Business Design Guide
- SOLA FIX Specifications Guide
- SOLA HSVF Specifications Guide

Customers are reminded that underlying data will not be available via SOLA. Please contact EDX IT Member Services who will be happy to discuss alternative solutions with you.

If you require access to the Members Area or if you wish to discuss any aspect of the technical migration, please contact:
