TRADEcho Next Functional Release

Further to our communication 001/26042018 on 26 April 2018, the purpose of this Service Announcement is to inform customers that on **Thursday 24 May 2018**, the TRADEcho Customer Development Service (CDS) will be updated with Release 10C.

The documentation has been updated on the London Stock Exchange website to reflect this. Updated documentation can be found under the 'TRADEcho – Next Functional Release' section at the link below:

<http://www.londonstockexchange.com/products-and-services/technical-library/millennium-exchange-technical-specifications/millennium-exchange-technical-specifications.htm>

As a result of the upgrade, the TRADEcho CDS environment will be in maintenance mode on **24 May 2018** and may become unavailable for customers.

Production go-live is currently scheduled for July. The exact date will be confirmed at least 4 weeks ahead of time.
