## Statement from AIM Regulation on FCA Final Notice – Tejoori Limited

---

London Stock Exchange welcomes today's action by the FCA in relation to Tejoori Limited ("Tejoori"). As part of our collaboration with the FCA in respect of AIM company disclosures, we referred the breach of Article 17 of the Market Abuse Regulation ("MAR") by Tejoori to the FCA, so that the regulator could investigate further. Since the introduction of MAR in July 2016 the FCA has become the competent authority for the application and enforcement of MAR in the UK.

London Stock Exchange works closely with the FCA to co-ordinate our approach in relation to our respective areas of remit in order to minimise duplication and also to ensure the effective overall operation of the market.
