3.0 Updates to the list

An issuer may request that we consider other international and/or regional standards, which are not included in the list above, on a case-by-case basis. When making such a request, the issuer must demonstrate that the international and/or regional standard it is requesting us to consider meets the criteria of internationally recognised principles (such as the ICMA Principles). We will consider this information and make a determination at our absolute discretion.

4.0 Further information

Use of the SBM and the SBM trademark is subject to the SBM terms (as available on our website).
