London Stock Exchange plc and Turquoise Global Holdings Limited announce changes to the London Stock Exchange Market Data Terms and Conditions and the Data Shop Schedule

Dear London Stock Exchange Data Shop Customer,

The purpose of this communication is to provide you formal notification, in accordance with clause 11.1 of the London Stock Exchange Market Data Terms and Conditions (“**Agreement**”) of changes to the Agreement, also in respect of Charges, which will be effective from 1st January 2025.

A 5% increase to all Data Shop Charges will come into effect on 1st January 2025, reflecting the continued investment and improved service for provision of Data Shop Products. All changes to Charges are applicable to Charges in place prior to the changes coming into effect.

We are also pleased to announce that a Total Market Volume product will be available free of charge during Q4 2024, therefore will be added to the Data Shop Schedule. Separate communications will be issued with respect of this product.

Alongside the changes set out in this notification, we have made some minor adjustments to the Agreement.

You will not be required to sign any new documentation for these changes to take effect.

All updated documents can be found at [Pricing and Policies](#), and any changes to your licensing can be made on the [Market Data Portal](#).

If you require any clarification on this notification, please contact your Account Manager, or the London Stock Exchange Market Data team by email at marketdata@lseg.com.

Yours sincerely,
