

IOB DR dividend futures

Useful product reference codes

January 2011

Contents

1. Introduction
2. Underlying codes
3. Dividend series codes: EDX London
4. Dividend series codes: Thomson Reuters
5. Dividend series codes: Bloomberg

Introduction

- The following slides provide useful product codes for EDX's IOB Russian DR dividend futures launched on January 17th 2011
- Members should note that the dividend capture period applicable to each contract is defined as dividends “gone-ex” between the first business day after the third Friday in December until the third Friday in December the following year (i.e. between December expiries)
- Each contract expires on the third Friday in January, one month after the close of the dividend capture period
