# 1. Introduction

Following the acquisition of MillenniumIT, the London Stock Exchange embarked on a programme of change, during which the Group's equity markets migrated from the legacy TradElect/Infolect platform to Millennium Exchange – the multi-asset class, ultra-low latency platform of MillenniumIT.

## 1.1. Purpose

The purpose of this document is to provide clients a full overview of the FTSE indices supported by the Millennium Exchange platform.

The Group will continually monitor the indices provided by FTSE and update the Millennium Exchange product to support new indices when they become available.

Clients should note that not all FTSE indices are supported by Millennium Exchange and are encouraged to communicate any specific index requests to their Technical Account Manager.

All clients intending to subscribe to FTSE indices provided by Millennium Exchange should ensure they have an appropriate FTSE licence. Please contact [info@ftse.com](mailto:info@ftse.com) for further information.
