TRADEcho BREXIT Phase 2 Customer Development Service Release & Maintenance Day

Following the communication 001/18022019, the purpose of this announcement is to inform customers that phase 2 of the TRADEcho BREXIT release is due to be released to the Customer Development Service (CDS) on 11 March 2019. Customers should also note that the CDS environment will be in a maintenance state on this day and the environment will be available as normal on 12 March 2019.

Customers can locate documentation for this release under the Section labelled ‘TRADEcho – Next Functional Release (Brexit Release)’ on the following site:

Customers are reminded that any configuration changes made between Phase 1 and Phase 2 will be removed upon release. This includes but not limited to; User addition/removal, User Privilege changes, SRR rules changes and passwords will be restored to default.

Customers must also remember that application certification is mandatory for this release and must be completed prior to the CDR. Customers are asked to get in touch with the Market Access team (marketaccess@lseg.com) to schedule a certification test.

Additional Information

If you have any queries, please contact your Technical Account Manager on 020 7797 3939 or londontam@lseg.com.

An archive of previously issued service announcements is available in the technical library section of London Stock Exchange’s Internet site http://www.londonstockexchange.com/techlib

Customers are reminded that London Stock Exchange may broadcast test data from its Production environment at the weekends which should be discarded and not processed.

Customers are reminded that London Stock Exchange may extend or re-enter the Post Close session for instruments or segments in order to perform necessary end of day activities.
