London Stock Exchange Customer Development Service (CDS) Maintenance Day and MITCH CDS Market Data Service IP change

London
Stock Exchange

The purpose of this Service Announcement is to inform customers that London Stock Exchange's Customer Development Service (CDS) will undergo maintenance on **Friday 17 May 2019** and therefore may be unavailable to customers on that day.

The Multicast Source IP Address for the MITCH multicast primary feed on CDS will be amended, effective **Monday 20 May 2019**. The new technical details are available in the updated MIT1001 Connectivity Guide that can be downloaded from <https://www.londonstockexchange.com/products-and-services/technical-library/millennium-exchange-technical-specifications/millennium-exchange-technical-specifications.htm>.

The MITCH Market Data service remains available on the Legacy CDS environment without any technical change.

As a reminder, and as communicated via service announcement 001/07052019, the MITCH Market Data service will be decommissioned in production from **08 November 2019**.
