TRADEcho BREXIT Phase 2 Update

The purpose of this announcement is to inform customers that documentation for the upcoming TRADEcho phase 2 BREXIT release is now available. The documentation can be found under the ‘TRADEcho – Next Functional Release’ section at the link below:

Phase 2 is expected to be released into the Customer Development Service (CDS) on 4 March 2019.

Customers are reminded that any configuration changes made between Phase 1 and Phase 2 will be removed upon release. This includes but not limited to; User addition/removal, User Privilege changes, SRR rules changes and passwords will be restored to default.

Customers must also remember that application certification is mandatory for this release and must be completed prior to the CDR. Customers are asked to get in touch with the Market Access team (marketaccess@lseg.com) to schedule a certification test.

If you have any queries, please contact your Technical Account Manager on 020 7797 3939 or londontam@lseg.com.

An archive of previously issued service announcements is available in the technical library section of London Stock Exchange’s Internet site http://www.londonstockexchange.com/techlib

Customers are reminded that London Stock Exchange may broadcast test data from its Production environment at the weekends which should be discarded and not processed.

Customers are reminded that London Stock Exchange may extend or re-enter the Post Close session for instruments or segments in order to perform necessary end of day activities.
