### **MiFID II / MiFIR Volume Cap Mechanism Implementation and Related London Stock Exchange Negotiated Trade Waiver Suspensions from Wednesday 20 February.**

Following the announcement by the European Securities and Markets Authority (ESMA) on Friday 15 February 2019<sup>1</sup>, London Stock Exchange will implement a six-month suspension of the Negotiated Trade Waiver ('NTW') in a number of securities from start of trading on Wednesday 20 February in relation to ESMA's Volume Cap Mechanism.

Any instrument subject to the NTW suspension will be identifiable with 'NTW Allowed' = N in the 20190220\_XLON\_Instrument.csv published to subscribers at 02:00 UK Time on Wednesday 20 February, and in the daily file on any future date during the suspension period.

In the meantime, please find the list of instruments including the Suspension Start Date and Suspension End Date in the MiFID II Documentation section of the London Stock Exchange Technical Specifications at <http://www.londonstockexchange.com/products-and-services/technical-library/millennium-exchange-technical-specifications/millennium-exchange-technical-specifications.htm>.

Member Firms are reminded that during an NTW suspension period, any reported NLIQ transactions in the relevant security will be rejected if reported with a transaction value below pre-trade Large In Scale threshold for the security. Member Firms are advised to monitor these rejections accordingly.

Best Regards  
London Stock Exchange
